# Key discussion points at our recent Conference

- What are the investment needs for the health service in the next decade and what is the role of the private sector in making that investment?
- Where are we going in the journey of continuous improvement of health care quality and patient safety?
- What is the likely future public policy direction in light of the recent cross party report on Sláintecare
- What is the future direction of travel for Ireland's Health insurance providers as the needs of Ireland's aging population change?
