

Changes to PMI Executive Committee

18th August, 2020

At the AGM held on Thursday 13th August, the PMI announced that Deirdre Kelly, Country Manager with Consilient Health has stepped into the role of Vice President supporting current President Margaret Drysdale, Business Unit Head Rare Metabolic Diseases & Haematology at Takeda.

Deirdre has been involved with the PMI for several years, and joined the Executive Committee early in 2019. She has held the role of Country Manager with Consilient Health since 2014 and has been responsible for setting up the Irish Business Unit. Under her leadership, Consilient Health has successfully launched a number of brands in the bone health, women's health and anti-obesity therapy area. She has extensive experience in the pharmaceutical industry across both Ireland and the UK.

We would also like to extend huge thanks to those members who stepped down from the Committee at the AGM – Eoin McAtamney, Ashfield who completed his term as ex officio, Shane O'Connor, Sanofi and Fergus Gallagher, Menarini. Gilles Rolland, Senior Regional Manager with Daiichi-Sankyo has joined the 2020-2021 Executive Committee.

"We're delighted to welcome Deirdre into her extended role with the PMI" said Margaret Drysdale, PMI President. "I look forward to working closely with Deirdre and know the PMI will be in excellent hands into the future. Many thanks also to our hard-working Committee who all volunteer their time to the PMI, we're so grateful for their shared expertise and guidance; ensuring that the PMI stays relevant and continues to serve it's members".
